

**REMARKS**

Subsequent to receiving the Final Office Action, Applicants recognized that Figures 2b through 2m contain an error in that element number 212 should be 212'. This is supported by the specification, e.g., at p. 14, lines 21-22. The enclosed replacement Figures have been corrected. The same typographical error appears in the specification at p. 16, line 7 as is corrected by this Amendment.

Applicants submit that these amendments place the application in condition for appeal.

The Examiner is invited to contact Applicant(s)' attorney if the Examiner believes any remaining questions or issues could be resolved.

Respectfully submitted,
